3. Always remove weak or dead batteries from the product.

TO ENSURE PROPER FUNCTION:

- Battery installation should be done by an adult.
- Non-rechargeable batteries are not to be recharged.
- Rechargeable batteries are to be removed from the toy before being charged. (if removable)
- Rechargeable batteries are only to be charged under adult supervision.
- Only batteries of the same or equivalent type as recommended are to be used.
- The supply terminals are not to be short-circuited.
- Do not dispose of batteries in fire. Battery may explode or leak.

"FOLLOW MY COMMANDS"

Press the ON/SELECT button. The game will ask you to "Select game." There are six different games you can play. Each one will be explained in detail later.

Turn the game so that the CAP with the game number you want is facing up. Press the ON/SELECT button. The game will announce the game you have selected.

The game will ask you to "Select number of players."

Turn the game so that the CAP with the number of players you want is facing up. Press the ON/SELECT button. The game will announce the number of players you have selected.

The game will announce the game and the round (if applicable).

It will then announce where to start (EXAMPLE: Start on green!) Make sure that the CAP that matches the command is facing up.

The game will announce whose turn it is.

Turn the game to follow the commands given. If you respond correctly - have the correct cap facing up - you will hear a chime. You will be given another command. Continue this way until the round is over or you respond incorrectly. The longer you play, the faster the commands will be given.

If you respond incorrectly - take too long or have the wrong cap facing up - you will hear a "BOING" and your turn is over.

The game will announce your score and the next player.

Pass the game to the player. Press the ON/SELECT button to start your turn. The game will tell you where to start. Make sure that the correct cap is facing up.

NOTE: IF THE GAME STOPS IN A POSITION WHERE THE ON/SELECT BUTTON IS NOT FACING YOU, LOOK FOR THE YELLOW DOT ON THE RIB OF THE GAME. YOU WILL FIND THE BUTTON BELOW THAT DOT.

Continue this way until you hear, "This game is finished. Wanna warp again?"

"WANNA WARP AGAIN?"

If you want to start a new game, press the ON/SELECT button.

If you want to play the same game, you can skip the set-up steps by using the "fast start" feature. Press the ON/SELECT button after, "This game is finished," but before, "Wanna warp again?"

To turn off your game at any time, press and hold the ON/SELECT button until you hear, "This game is finished."

SCORING

You will score one point for each command you respond to correctly.

At the end of the game, the players' final scores will be announced, as well as the order in which they finished (first, second, etc).

To repeat the final scores at the end of a game, press the ON/SELECT button.

"SELECT GAME"

There are six different games in Brain Warp™. Each game is explained below.

GAME 1/COLORS

1 - 6 players
3 rounds of play
Game calls out one color at a time. You rotate the game after each color is announced.
Play continues until you have finished three rounds.

GAME 2/NUMBERS

1 - 6 players
3 rounds of play
Game calls out one number at a time. You rotate the game after each number is announced.
Play continues until you have finished three rounds.

GAME 3/COMBO

1 - 6 players
3 rounds of play
Game calls out one number OR color at a time. You rotate the game after each number or color is announced.
Play continues until you have finished three rounds.

GAME 4/MEMORY MATCH

1 - 6 players
3 rounds of play
Game calls out a sequence of numbers and colors. When the game says, "Start," you rotate the game to follow the sequence.
Play continues until you have finished three rounds.

GAME 5/CODE BUSTER

1 player ONLY
Unlimited number of rounds, each round is 60 seconds
Using trial and error rotation, you determine a sequence of colors chosen randomly by the game. You will be told how many colors you need to find to break the code.
You will hear a chime for a correct move or a "boing" for an incorrect move.
If you hear a "boing" you must start over at the beginning of the sequence.
If you break the code, you will a triple chime and the game will announce your score (how many colors in how many seconds).
The next round starts with a new sequence that is one color longer than the last.
Play continues until you fail to break the code.

GAME 6/PASS ATTACK

2 - 6 players
1 round with no time limit
The game tells you where to start, then players create their own sequence of colors.
Each player recreates the existing sequence, adds a color and passes the game to the next player.
If a player makes a mistake, that player is eliminated, but the remaining players keep playing.
Play continues until only one player remains.
